

## Index, The Chemist 1967

### Volume XLIV, January to December, inclusive

Issues of *THE CHEMIST* are numbered 1 to 12, beginning with January. After each item, the issue number is given, followed by a comma and the page number. Multiple references for the same item are separated by semicolons. (Thus, 1, 6; 5, 17, would be January, page 6 and May, page 17.)

Information pertaining largely to *THE AMERICAN INSTITUTE OF CHEMISTS* is listed first, for the convenience of AIC members. Other material is listed alphabetically, immediately following the AIC listings. Books and publications are shown in *italics*.

#### AMERICAN INSTITUTE OF CHEMISTS, THE (AIC)
